

www.comsys.ie

Comsys Ltd is a dynamic company, Ireland's premier enterprise IT resource. Founded in 1984, we have been supplying many of Ireland's major organisations with enterprise IT infrastructure and services for over 26 years.

We are currently seeking people for the following roles:

Technical Director

The Technical Director will provide technical direction on business decisions and in the execution of specific projects. He/she will be responsible for the successful creation and delivery of the company's product solutions to the marketplace by managing technical risks and opportunities.

Technical Sales Manager

The Technical Sales Manager will be responsible for design and overseeing sales programs within the company. He/she will act as the team leader for the sales team and ensure the professional pre-sales agenda is achieved for the business. He/she will also be responsible for all sales results, products solutions as well as services.

Business Operations Manager

This person will have responsibility of ensuring that business operations are efficient and structured for optimum delivery of customer requirements. It will involve taking responsibility for all business operations and processes on a day to day basis.

Key certifications criteria range considered for roles include:

Solaris IBM AIX, and Linux OS experience
Sun Oracle, EMC and or IBM system storage
EMC VMware, UNIX, Linux platforms

Attractive compensation package will be offered to each of the successfully selected candidates.
